Reference to quote: **It is important** to quote your parent account number and surname (for example only ... 01234 Smith). Failure to do so may result in us not being able to identify your payment and a delay of it being receipted on to your account.

Your parent account number can be found on your fees account statement.

- **EFTPOS/Credit cards**

Credit Card payments can be made in person at the Secondary Reception, over the phone, or on Parent Lounge on Schoolbox.

- **Cash and Cheques**

Please proceed to Secondary Reception if you wish to pay via cash or cheque. For large fee payments, it is the preference of the College that you pay via Parent Lounge on Schoolbox or directly to our bank account, so that large amounts of cash are not held on College premises.

INSTALMENTS

- **Direct Debits**

This is an arrangement where parents give the College permission to withdraw regular payments directly from their bank account. In 2024, we are offering weekly or fortnightly deductions on Wednesday, Thursday or Friday, as well as monthly on the 10th or 25th of each month.

Information, paperwork, and a link to calculate your Direct Debit can be found on our website, under 'Enrolments' then 'Fees and Charges.'

SCHOOL FEE FINANCE

- **Edstart**

If you wish to seek finance for your College fees and charges, there is a specialist provider of finance for school fees called Edstart (<https://edstart.com.au/wcc>).

Westside Christian College is not involved in any agreement between you and Edstart and does not receive any financial benefit from Edstart.
